

# Technical Data Sheet

**Reaction time**  
works during operation

**Consumption**  
50 ml for 10 L

**Application field**  
for use in all gasoline engines

**Application interval**  
with every tank filling or on demand

## Fuel System Cleaner 2 & 4 Stroke

### Application

Add to the fuel. The content of the container (200ml) is sufficient for 40 l fuel. Mixing ratio 1:200.

### Description

**GAT Fuel System Cleaner 2 & 4 Stroke** is suitable for use in all two-stroke and four-stroke engines. Removes and prevents soiling and resin deposits throughout the fuel system. Binds water and protects from corrosion. Lubricates all moving parts in the entire fuel system. Reduces engine knocking and prevents from over-heating. Ensures optimum starting behaviour even after long periods of inactivity.

### Advantages

Optimum engine start, efficient engine running and minimum exhaust emissions. Protection against corrosion in the entire fuel system. Regular use keeps the fuel system clean and avoids expensive repairs.

Packing sizes	Packing Unit	Article Number
---------------	--------------	----------------

200 ml	24 x 200 ml	Art. 09074
--------	-------------	------------

other sizes available on request

### Properties

Physical state	liquid
Color	light yellow to amber
Density	0,83 g/cm <sup>3</sup> DIN 12185
Flash point	-9 °C ISO
Viscosity	< 7 mm <sup>2</sup> /s (at 40 °C)

### Compatibility

Recommended for all petrol engines. Mixable with all each kind of fuel/ benzine/gasoline.

### Safety instructions

Follow the application instructions on the technical data sheet (TDS). Read safety instructions in the Material Safety Data Sheet (MSDS) before using this product. Please keep out of reach of children. If medical advice is needed, have product container or label at hand and call poison centre/ doctor.

### Disposal

Dispose of this product and container according to national/ regional regulations.

Although our information is based on intense product tests and studying and therefore considered as reliable, it nevertheless has solely advisory character.
