

Technical Data Sheet

Fuel System Cleaner PLUS

Reaction time
works during operation

Application field
for use in all gasoline engines

Consumption
50 ml per 10 L

Application interval
with every tank filling

Application

Recommended to add every tank filling to the fuel tank before filling up. Product works during operation. Sufficient for 40 up to 60 L fuel. For larger tank volumes add 0,5 % of the filling content.

Description

GAT Fuel System Cleaner PLUS is suitable for use in all petrol engines, generators and high-performance engines (e.g. boat, bike etc.). Solves operationally caused contamination in the entire fuel system from the tank to the combustion chamber. Dissolves resins and gums in the carburetor and injection system. Removes coking and unburned carbon residues in the upper cylinder area. Reliably binds moisture from the fuel and prevents condensation to prevent failure.

Advantages

Clean and powerful combustion process and highly efficient engine running. The product has a positive impact on fuel consumption, improved engine performance and reduced exhaust gas emissions. Protects against corrosion, which increases the life of injectors and fuel pumps. Has a positive effect on the uptime of the cat.

Packing sizes	Packing Unit	Article Number
100 ml	24 x 100 ml	Art. 09029
300 ml	24 x 300 ml	Art. 62018
1 L	12 x 1 L	Art. 62062
5 L	-	Art. 62047

other sizes available on request

Properties

Physical state	liquid
Color	red
Density	0,82 g/cm ³ DIN 12185
Flash point	-9 °C ISO 3679
Viscosity	0,73 mm ² /s (at 40°C) DIN EN ISO 3104

Compatibility

Recommended for all gasoline engines.

Safety instructions

Follow the application instructions on the technical data sheet (TDS). Read safety instructions in the Material Safety Data Sheet (MSDS) before using this product. Please keep out of reach of children. If medical advice is needed, have product container or label at hand and call poison centre/ doctor.

Disposal

Dispose of this product and container according to national/ regional regulations.

Although our information is based on intense product tests and studying and therefore considered as reliable, it nevertheless has solely advisory character.
