on demand

Automatic Transmission Care & Protect

Application

Add directly to the transmission gear system. Sufficient for up to 5 L capacity. For larger capacities add 60 ml per liter of gear oil.

Description

GAT Automatic Transmission Care & Protect is suitable for all automatic transmission with torque converter, as well as all automatic transmissions using DEXRON®-VI/MERCON® LV based oil.

Advantages

Maintains the performance of transmission gear systems. Ensures soft shifting with direct response and prompt acceleration. Supports the cleaning effect of the transmission fluid. Protects from corrosion and early wear.

Packing sizes	Packing Unit	Article Number
300 ml	24 x 300 ml	Art. 62024
1000 ml	12 x 1000 ml	Art. 62052
5000 ml	–	Art. 62053

other sizes available on request

Properties

Physical state	liquid, viscous
Color	dark red
Density	0,86 g/cm ³ DIN 12185
Flash point	160 °C ISO 3679
Viscosity	35 mm ² /s DIN EN ISO 3104

Compatibility

Suitable for all types of automatic transmissions with torque converter, as well as all automatic transmissions using DEXRON®-VI MERCON® LV based oil.

Safety instructions

Follow the application instructions on the technical data sheet (TDS). Read safety instructions in the Material Safety Data Sheet (MSDS) before using this product. Please keep out of reach of children. If medical advice is needed, have product container or label at hand and call poison centre/ doctor.

Disposal

Dispose of this product and container according to national/ regional regulations.

Although our information is based on intense product tests and studying and therefore considered as reliable, it nevertheless has solely advisory character.
